CURB CUT REQUIREMENTS

CURB CUTS

A driveway can be no more than 40 feet in width. If there are two or more, no less than 150 feet apart and at least 40 feet from corner or intersection.

Advise the City of Springdale when the cut will be ready at the time of payment. If you need to change this requested time, please do so an hour in advance by calling 479-750-8135.

Property owner/s requesting curb to be cut by the Public Works Department must pay a minimum charge of \$75.00 for the first 25 feet and \$3.00 for each additional foot and must comply with the following:

1. Area must be excavated behind curb no more than 8 inches below gutter and 2 feet beyond both ends of cut. NOTE: Curb debris cannot be used for backfill. Contractor is responsible for disposal of all concrete debris.
2. Curbs must be clearly marked at both ends where cut is to be made.
3. Gutter must be clean and free of rocks, dirt and all other debris.

NOTE: If the Public Works Department crew goes to the location and the curb is not ready to be cut (see 1 through 3 above) or does not meet other requirements above, an additional fee of \$ 15.00 will be charged to return to the location when the cut is ready.

SIDEWALKS

Sidewalks are not included in the cost of cutting a curb. There will be an additional charge of \$50.00 for 25 feet and \$2.00 per foot for each additional foot.

I have received a copy of the Curb Cut Requirements from the Public Works Department. I have read them completely, understand the requirements and all fees and agree to them.
