**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The delay in attaining the goal of 50 homeowners was for a couple reasons; (1) the city did not receive its 2013 Entitlement Grant until September 23, 2013 and (2) the CDBG staff's time.

**Discuss how these outcomes will impact future annual action plans.**

The number of rehab projects completed will be determined by the amount of funds available and when those funds will be available.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.
