

Springdale Fire Department
Policy & Procedures Manual
Volume 3 – Training
Section 302 – Training Programs
302.2 – Paramedic Orientation Program

Springdale Fire Department Paramedics practice emergency medical care in the field under authority of the Springdale Fire Chief and medical license of the Springdale Fire Department Medical Director and must demonstrate a high level of ability, confidence, and professionalism consistent with department standards.

New members of the Springdale Fire Department with Arkansas Department of Health certification (licensure) at the level of EMT-Paramedic or experienced members who attain such certification shall successfully complete the Springdale Fire Department Paramedic Orientation Program prior to being given assignment as an Attending Paramedic.

302.2.1 contains a printable version of the Paramedic Orientation Program Manual.
