501.8 – Restocking Apparatus Haz-Mat Bags

All Engines and Trucks are equipped with Haz-Mat equipment bags. When items are used from these bags at an incident, the incomplete bag needs to be exchanged immediately following the incident with a fully stocked replacement bag. The replacement bag will be stored in Battalion 1's Office. The incident commander (member making report) must also promptly notify the Haz-Mat Team Leader (Captain Tom Pearson) by e-mail so that the incomplete bag can be properly restocked for future exchange.

The following additional information also needs to be included in the e-mail to the Haz-Mat Team Leader for documentation and billing purposes:

- Incident Date and Number
- Responsible Parties Name, Address, and Phone Number
- Vehicle Information
- Type of Spill
- Items used from Haz-Mat Bag
