Dear Property Owner,

The Buildings Department exists to confirm adherence to minimum construction standards, codes, and local ordinances. We also serve the community by responding to complaints from citizens regarding potentially unsafe and unsanitary conditions.

Article 2, Section 10 of the Zoning Ordinance of the City of Springdale, Arkansas, is in need of revision to implement the provisions of Act 930 of 2021, which amended Ark. Code Ann. §14-56-416, to allow decisions of the Board of Zoning Adjustment to be appealed to the Springdale City Council.

A public hearing was held before the Springdale Planning Commission on August 3, 2021.

Article 2, Section 10(e) and (f) of the Zoning Ordinance of the City of Springdale, Arkansas, is hereby amended to read as follows:

e. Appeals by petition to the city council. Any persons or person, or any board, taxpayer, department, or board of the city aggrieved by any decision of the board of adjustment may seek a review by a court of record of such decision, in the manner provided by the laws of the state of the decision by appealing to the city council.
provided that the petitioner states specifically in writing to the city clerk why the petitioner considers the board of zoning adjustment's findings and decisions to be in error. Such appeal shall be filed with the city clerk within fifteen (15) days from the date of the board of zoning adjustment's action along with an affidavit stating that adjacent property owners have been notified of the appeal to the city council.
