STORMWATER PROGRAM

Grading Permit Application

Project ID (office use only): _____

Notice: All fields are required to be completed in full. Applications with missing information will not be approved.

In accordance with Chapter 107.3(B) of the City of Springdale Code of Ordinances, all construction sites where activity is to disturb soil or remove vegetation on 0.5 or more acres will require the following from the applicant:

Sites disturbing less than 5 acres:

- Grading Permit Application
- SWPPP or Erosion Control Plan
- Automatic Coverage Notice
- Fee

If the area of disturbance is **less than 1 acre**, a fee of \$250.00 is required.

If the area of disturbance is **1 acre or greater**, a fee of \$500.00 is required.

Sites disturbing 5 or more acres:

- Grading Permit Application
- SWPPP
- ADEQ Notice of Coverage
- Fee of \$500.00

Please note that, unless specified on the plan set or SWPPP, the area disturbed shall be assumed to include the entire property or platted area. A pre-construction meeting will not be scheduled and work may not commence until all documents have been submitted and approved by the Engineering Department. Additionally, all comments must be addressed through both the Planning and Engineering Department.

Proposed Grading Site Information:

Job Title (on plans): _____ Nearest Intersection: _____

Physical Address: _____ Parcel Number(s): _____

Total combined parcel acreage: _____ Proposed acreage to be disturbed: _____

Is any portion of the property located in a FEMA Special Flood Hazard Area? YES NO

If yes, a Floodplain Development Permit application may be required.

Will a water truck be used during grading? YES NO

If yes, provide source:

Is provisional grading being requested? YES NO

If yes, provisional grading has been requested by the applicant prior to plan approval by the Planning Department. If provisional grading is approved, applicant will secure bond in the amount appropriate and will follow requirements of a provisional grading permit per Chapter 107 Sec 107.3(F)7.

STORMWATER PROGRAM

Grading Permit Application

Engineer's Information:

Name of Firm: _____ Engineer: _____

Phone: _____ City/State/Zip: _____

Operator's Information (Responsible Party):

No operator has been selected at this time.

Company: _____ Responsible Individual: _____

Phone: _____ Mailing Address: _____

Email: _____ City/State/Zip: _____

By signing this application, the operator agrees to have on the project site at all times an agent or qualified person or persons who is competent and capable of reading and thoroughly understanding the plans, specifications and requirements for the type of work being performed. The qualified person or persons shall have full authority to issue orders or direction to employees working on site without delay and to promptly supply such materials, labor, equipment, tools, and incidentals as may be required to complete the work in a proper manner. If no superintendent is on site, the city official may issue the Notice of Violation and Stop Work Order to the person conducting the violation.

Signature: _____ **Date:** _____

Permittee's Information (Owner or Authorized Rep):

Permittee Name: _____ Mailing Address: _____

Phone: _____ City/State/Zip: _____

"I certify under penalty of law that this document and all attachments provide true and accurate information to the best of my knowledge. I understand that the operator, whom has been identified and signed this document, is responsible for compliance of the City of Springdale Ordinance Chapter 107 Stormwater Pollution Prevention, Grading, and Erosion Control, revised September 2017. I understand that the City of Springdale will work directly with the operator to ensure that this property remains in compliance with this ordinance, and may not always contact the permittee regarding Notices of Violation or Construction Site Inspection Reports given to the operator. By signing below, I give the City of Springdale authorization to access said project property and location, and inspect all work completed by the operator for compliance before, during, and after any construction activities until the grading permit is terminated and completion of construction, as defined in Chapter 107, has been completed and approved by the City of Springdale Stormwater Manager."

Signature: _____ **Date:** _____

If there are any questions or concerns regarding this application or any of the required documents, please refer to the City of Springdale Engineering Department.
